\*\* Please review the back of this page for other updated policies that will go into effect May 1, 2025 \*\*

## Updated Membership Policies (effective May 1, 2025)

### **Automated Renewal Policy**

All annual memberships are set to automatically renew at the end of the membership term. Prior to renewal, members will receive a notification with details about the upcoming renewal, including the renewal date, rate, and instructions for cancellation. Members will have the opportunity to cancel or make changes before the renewal is processed. If no action is taken, the membership will renew automatically under the same terms.

### **Fee Return Policy**

The Sheridan County YMCA reserves the right to charge a \$10 fee for any returned drafts. Members will be notified by email if a draft is returned. If the balance is not paid within two weeks, a follow-up letter will be sent.

Unpaid balances must be resolved before members can access the facility. If the balance remains unpaid, membership will be cancelled prior to the next scheduled draft. Full payment is required before reactivating membership.

### **Cancellation Policy**

We are committed to making membership changes as simple as joining. Members may cancel their membership using any of the same methods available for enrollment—whether in person, online, or by phone. No complicated steps or hidden requirements—just straightforward, accessible options that support your needs.

Memberships will remain active through the next applicable billing cycle based on membership type.
